

GREEN TRUCK

We cater to every event

At Green Truck serving healthy gourmet food is not enough. We believe that a healthy environment is tantamount to a healthy life. We've taken measures to ensure that the food is good for you and the planet. We use certified organic ingredients that protects your body from harmful pesticides and keeps pollutants away from plants and waterways. We buy locally grown ingredients and at Green Truck, the health of people and our planet is the bottom line.
